### THE GREEN BERETS

Fighting soldiers from the sky,  
Fearless men who jump and die,  
Men who mean just what they say,  
The brave men of the Green Beret.

Silver wings upon their chest,  
These are men, America's best  
One hundred men will test today,  
But only three win the Green Beret.

Trained to live off Nature's land,  
Trained in combat, hand to hand.  
Men who fight by night and day,  
Courage speak from the Green Beret.

Silver wings upon their chest,  
These are men, America's best.  
One hundred men will test today,  
But only three win the Green Beret.

Back at home a young wife waits,  
Her Green Beret has met his fate.  
He has died, for those oppressed,  
Leaving her this last request.

Put silver wings on my son's chest,  
Make him one of America's best.  
He'll be a man they'll test one day,  
Have him win the Green Beret.

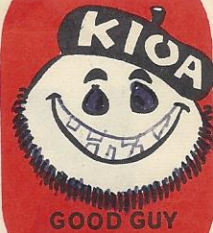

There never was a motion picture like...

THE GREEN BERTS

Have him win the Green Bert.  
He'll be a real boy, it's not one day.  
Make him one of America's best.  
Put silver wings on my son's chest.  
Loving for his last request.  
He has died, he does appreciate.  
The Green Bert has met his fate.  
Back of home a young wife waits.  
But only those with the Green Bert.  
One founded me with last today.  
There are men, America's best.  
Silver wings upon their chest.  
Orange spots on the Green Bert.  
Who who fight by night and day.  
I mean in earnest, hard to land.  
I mean to live off nature's land.  
But only those with the Green Bert.  
The world men of the Green Bert.  
You will long miss their chest.  
There are men, America's best.  
The world men of the Green Bert.
